

UTRADE USER GUIDE

MyPage Customisation

ONLINE TRADING
MADE EASY

Overview

MyPage allows you to customise your trading screen so that you can view all the information you need on a single screen.

How to use MyPage?

1. Log in to your UTRADE account and click on the “MyPage” tab at the top left of your screen as shown below.
2. Click on the first icon (“Add Page”) on the right of your screen.

3. Enter your preferred name in the Page Description field and select your Page Format.

Page Settings

7. To customise your individual pagelets, click on the Edit icon as shown below.

The screenshot shows the 'Edit Pagelet Settings - Watchlist' dialog box. The 'Column' tab is selected, displaying a list of columns: Code, Stock Name, Last, Vol(K), BuyVol(K), Buy, Sell, SellVol(K), High, and Low. The 'Save' button at the bottom is highlighted with a red box. A red box also highlights the 'Column' tab header. Another red box highlights the up/down arrows next to the column list, with a red arrow pointing to a text box below.

Click on the up / down arrow to arrange the column sequence

Always remember to click on the last icon ("Save Page") once you are done to save your MyPage customisations.
